SCOPE OF WORK

Design and Administer Construction of \$1.9 Million in MEP Systems for Addition and Renovations.

PROJECT DESCRIPTION

A&J supported Todd Geter Architects with design objectives for Trenton Board of Education's 10,000 square feet for addition and 76,500 square feet of alterations.

The 10,000 square feet addition was for new cafeteria, kitchen and support spaces. Alterations included instructional spaces such as classrooms and computer lab.

The MEP design included HVAC System, Electrical, Power Lighting, Lightning Protection, Fire Protection and Plumbing Systems
